

A dead serious blunder

A billboard company has apologised for advertising TV series The Walking Dead on the side of a funeral parlour. Pasting the zombie drama poster next to Co-operative Funeralcare was 'unintended and unfortunate', said Clear Channel. It has removed the advert in Consett, Co Durham Picture: North News

Hi all,

I hope you have all been enjoying the bank holidays and the unseasonally hot and sunny weather, it is the sort of weather that really encourages you to get out and do a bit of work on cars which have been neglected over the winter.

If e-mails to the Club are anything to go by, people are still keen to import Holdens into the UK, I try and help with as much information as I can but the whole operation can be a bit of a challenge with all the regulations to overcome, not to mention the taxes and varies import costs and duties.

If anyone has any experience of importing a vehicle from Australia I would be pleased to publish it in the magazine as a guide to others.

Finally does anyone have a set of rear brake shoes suitable for an HZ, they don't have to be new but if you can help please contact: Jon Tromans.
