Hi all,

We are officially into autumn already, not the sunniest of summers but I hope those of you who were out and about at the shows found some good weather.

Thanks to those of you who have contacted me with details of their cars etc. As you will see in the following pages I have received some interesting letters from members recently, so this, together with the regular features has given you a slightly larger edition than normal.

Enjoy the remaining shows this year.

Regards

Ken
