Hi all,

I was just about to write something about the fact that spring had arrived and that we are still experiencing unseasonal cold weather, however looking back to my introduction in the same edition of Holden Business from 2010 it seems that the temperature was in single figures then as well. I am sure it will improve soon so that we can enjoy some of the shows coming up.

As you can see from the insert to this edition, annual subscriptions are now due. Despite the recent rise in postage rates we have managed to keep the renewal cost at the same level as last year This is due once again to money received from the advertising links placed on our website.

As I mentioned previously I am trying to expand the Sales and Wants section on our website, so apart from cars, I will include any other Holden related items. This is a free service to members, but I do need an image, a short description, price and contact details.

Regards

Ken
