Hi all,

Just a reminder that if you haven't renewed your subscription this will be your final copy of Holden Business.

You will see from page 4 that we are planning to have an AGM on Saturday 14th July. I apologise for the short notice and the fact that we have not held one for some time. As previously it is being held at the Chairmans house in Chessington, with a light lunch provided. If you are able to come, please let me know either by 'phone or e-mail so that have enough space and food available! If you cannot attend, we would welcome any questions or suggestions and will deal with these at the meeting.

For those of you with a car built before 1st January 1960, I am sure you are aware that from November this year you will no longer be required to take an annual MOT test. The first piece of pro-motoring legislation for a very long time I think.

There are a lot of shows coming up in the next couple of months so I hope you are getting around to some of them. All we need now is some nice summer weather.

Regards

Ken
